Re: Sanitary Landfill Company (IWD) Site,
1855 Cardington Road, Montgomery County, Moraine,
Ohio--Response of P. H. Glatfelter Company to
Request for Information

Dear Ms. Mancos:

Yesterday I sent to you P. H. Glatfelter Company's response to a request for information received by P. H. Glatfelter Company on July 31, 1987, concerning the Sanitary Landfill Company (IWD) Site on Cardington Road in Montgomery County, Ohio. That response took the form of my letter to you, C. Neal Carter's certification, and Exhibits A through D. Some copies of that submission appear not to include the enclosed sheet. It is the sixth item referred to in the first paragraph on page 5 of my letter to you of August 27, 1987. In the event it does not appear as the last item in Exhibit A to the response which I sent you yesterday, please include it with your copy.

I hope that any omission did not inconvenience you.

Sincerely,

David G. Mandelbaum
